

FCMAT

FISCAL CRISIS & MANAGEMENT
ASSISTANCE TEAM

LISTENING MEETINGS

Dr. Thelma Melendez, the administrator assigned to lead the Inglewood Unified School District, has announced her retirement. FCMAT has been designated to identify and vet candidates to be considered as the next administrator reporting to the Los Angeles County Superintendent of Schools. FCMAT wants to hear from you about the qualities you are seeking in the person who will lead the district through the next steps of its recovery process. Two community meetings have been scheduled for all those who have interest to come and provide input to FCMAT representatives.

**Let your voice
be heard.**
